

# Come Review Concepts for the West Dover Connector

You are invited to attend a public workshop on November 10 to discuss concepts for a West Dover Connector including an extension of Saulsbury Road from the North Street intersection.

This workshop will give the public an opportunity to express their thoughts and suggestions on the current study. Comments will be received during the workshop or can be mailed to DeIDOT Public Relations.\* Additional information on the West Dover Connector Study can be found at [www.deldot.net/static/projects/wdc](http://www.deldot.net/static/projects/wdc)

## Learn More About the Study

The public is invited to attend the workshop between 4-7 pm to review:

- Why we need to improve the transportation system on the south and west sides of the City of Dover
- Natural and built environmental constraints
- Preliminary concepts under consideration
- Next steps
- How you can stay involved as the study moves forward
